Soul, Spirit & Story in Paint

Emerging from fire, crowned in cosmos. This is  
Transformation, Freedom, and Divine  
Feminine energy embodied. A celebration of  
Becoming—of remembering your Light was  
never lost, only waiting to be reclaimed.

## BECOMING STARLIGHT : Rainbow of the Soul

Mixed Media  
40 x 50 cm Canvas

Eyes closed, heart wide open – “Joy” is a portrait of surrender to the moment. She radiates light as if laughter itself has taken form, reminding us that happiness isn’t found, it’s felt. This lady will brighten your life!

## JOY : The Light Within

Mixed Media  
80 x 60 cm Canvas

A gaze that looks both inward and beyond. “Eye See” is not about being looked at, but being seen. It’s a call to awaken to the truth of who we are when the veil slips away. Layers of colour and texture form a portal of perception—an invitation to trust intuition, to see not just with the eyes, but with the Soul.

## Eye See : Vision Beyond the Veil

Mixed Media (oils and inks)  
30 x 30 cm Canvas

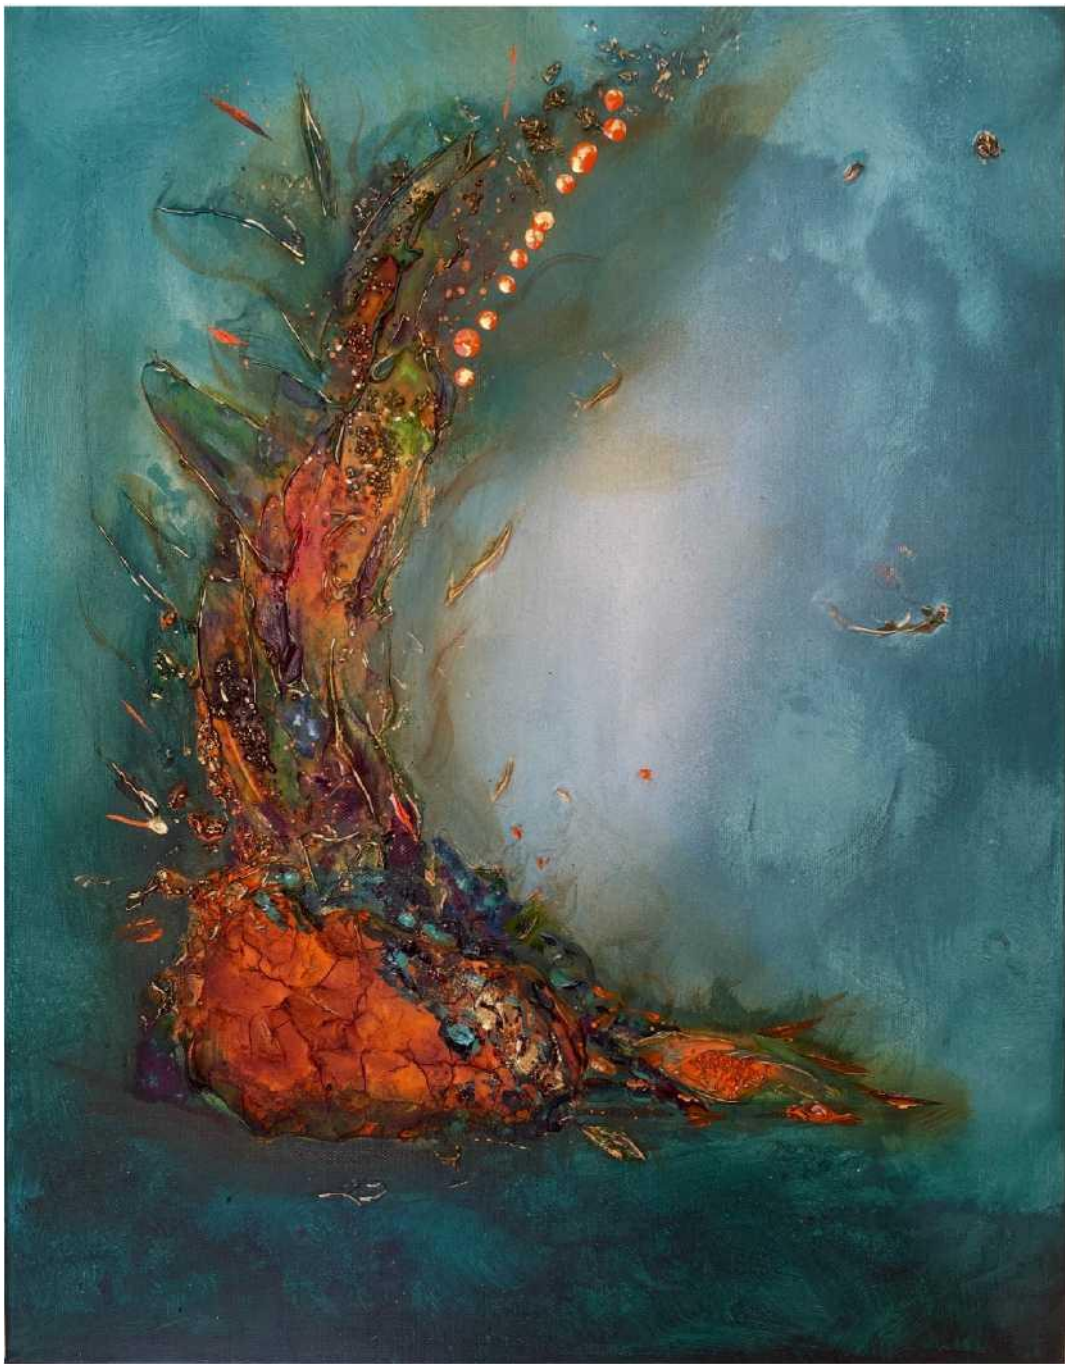

Secrets don't always sink—they rise. From the Ocean's Heart, echoes of forgotten worlds surface, cloaked in Light and Mystery. The Deep exhales, revealing what has waited in silence for centuries.

## RISING SECRETS FROM THE DEEP : Echoes of the Ocean

Mixed Media  
40 x 50 cm Canvas

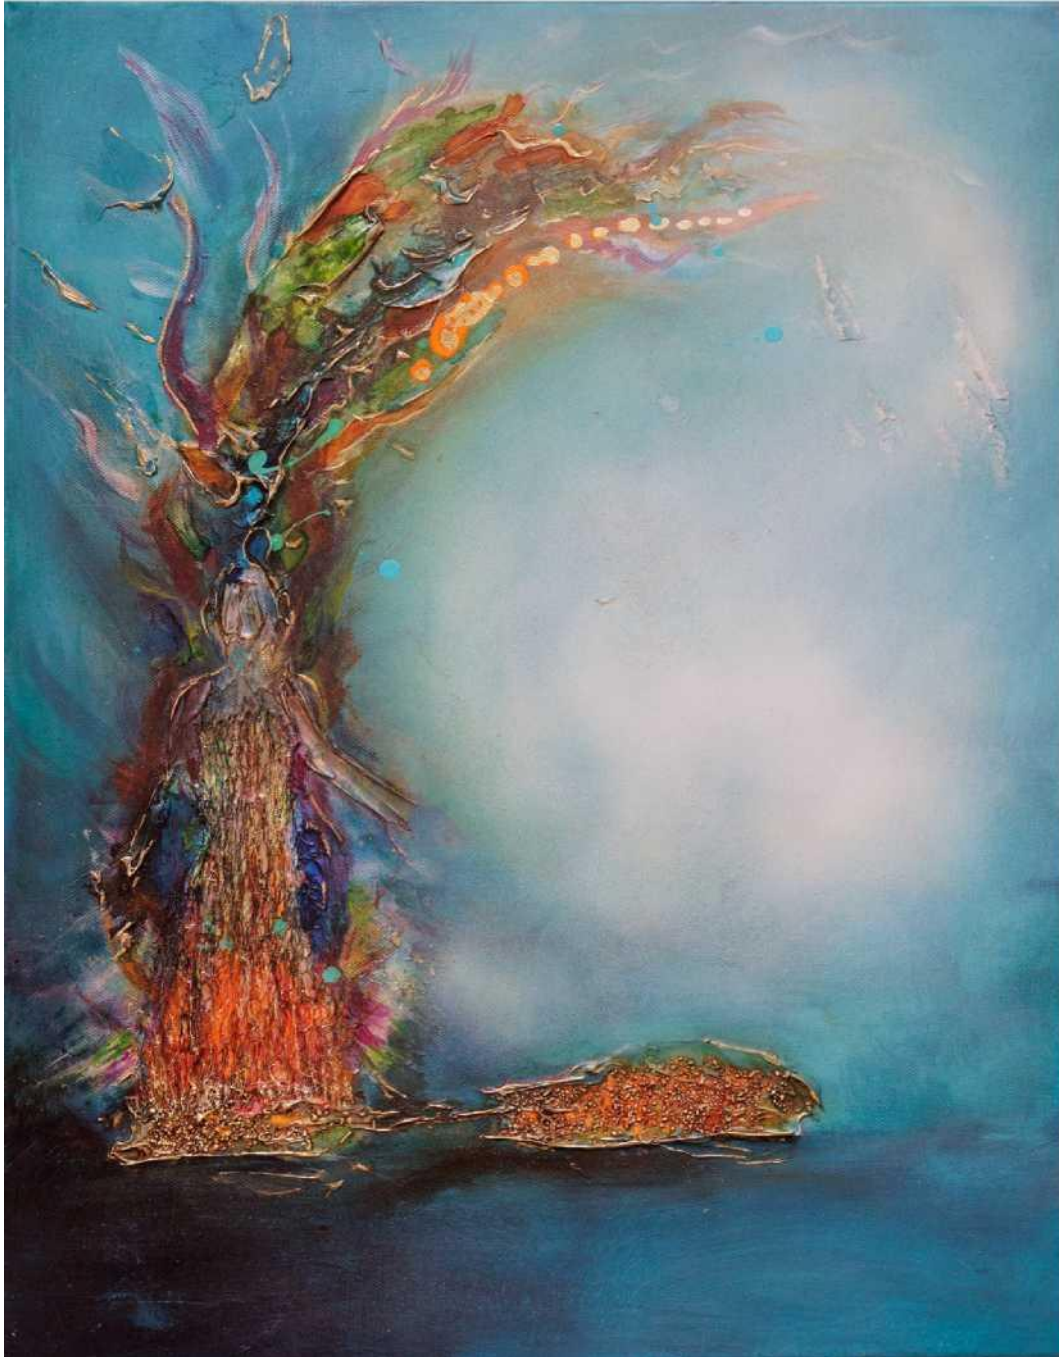

Born of fire and forged in silence, this piece captures the moment Soul and Earth collide. A molten surge rises through stillness, igniting colour, life, and Light. Liberation in texture—an awakening from the planet's heart itself.

CORE AWAKENING : Fire of the Soul

Mixed Media  
40 x 50 cm Canvas

This is AIR- for every Healer, Witch and Wise Woman reclaiming her element. She walked through the flames and became the storm. This piece carries the fierce, unbroken breath of every woman who has been burned, silenced, or made small for her Power.

## LAST BREATH OF THE WITCH: Witch Whisper

Mixed Media  
40 x 50 cm Canvas

She has held it all: roots, forests, fire, rivers of grief and growth. She is mountain and moss, memory and Mother. With Sophia's wisdom woven through her breath, she exhales the New Earth—a reminder that everything we seek already lives within.

## GAIA'S EXHALE : Breath of Sophia

Mixed Media  
40 x 50 cm Canvas

Inspired by the myth of a world lost to the sea. Shimmers of forgotten architecture, glowing embers, and the hush of deep water rise through colour and texture. A pause, an echo—what forgotten beauty might still lie hidden within.

## ECHOES OF ATLANTIS : Secrets in the Deep

Mixed Media  
100 x 100 cm Canvas

Heather-clad mountains meet a quiet loch beneath the endless sky. Secrets rest in those still waters, offering reflection and tranquility. Here, the soul listens—peace is found in the whispered depths.

## STILL WATER'S SECRETS : Night's Reflection

Acrylic  
50 x 40 cm Canvas

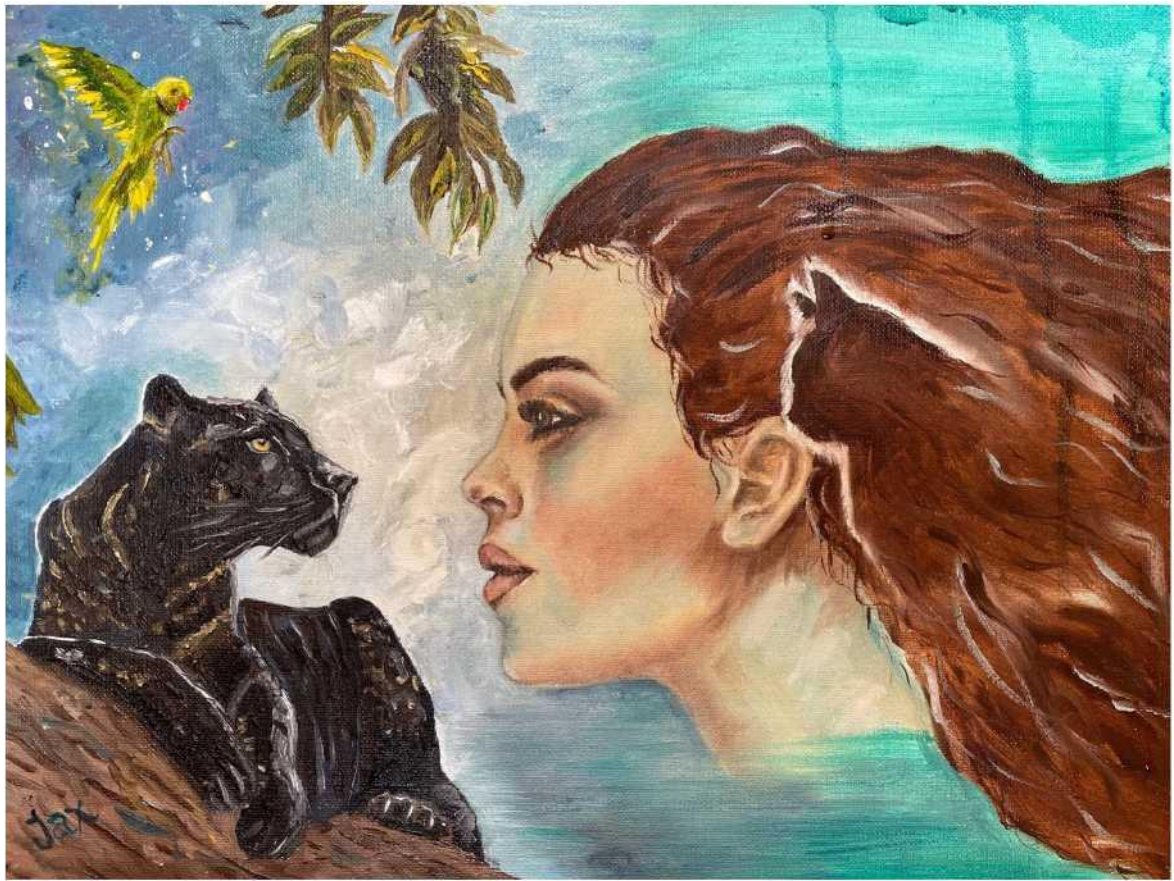

The aurora awakens the night sky, weaving ribbons of emerald and rose across the heavens. Reflected in still waters, the dance reminds us that even in darkness, Light is alive—moving, radiant, and full of wonder.

## CELESTIAL DANCE : Aurora's Embrace

Acrylic  
40 x 30 cm Canvas

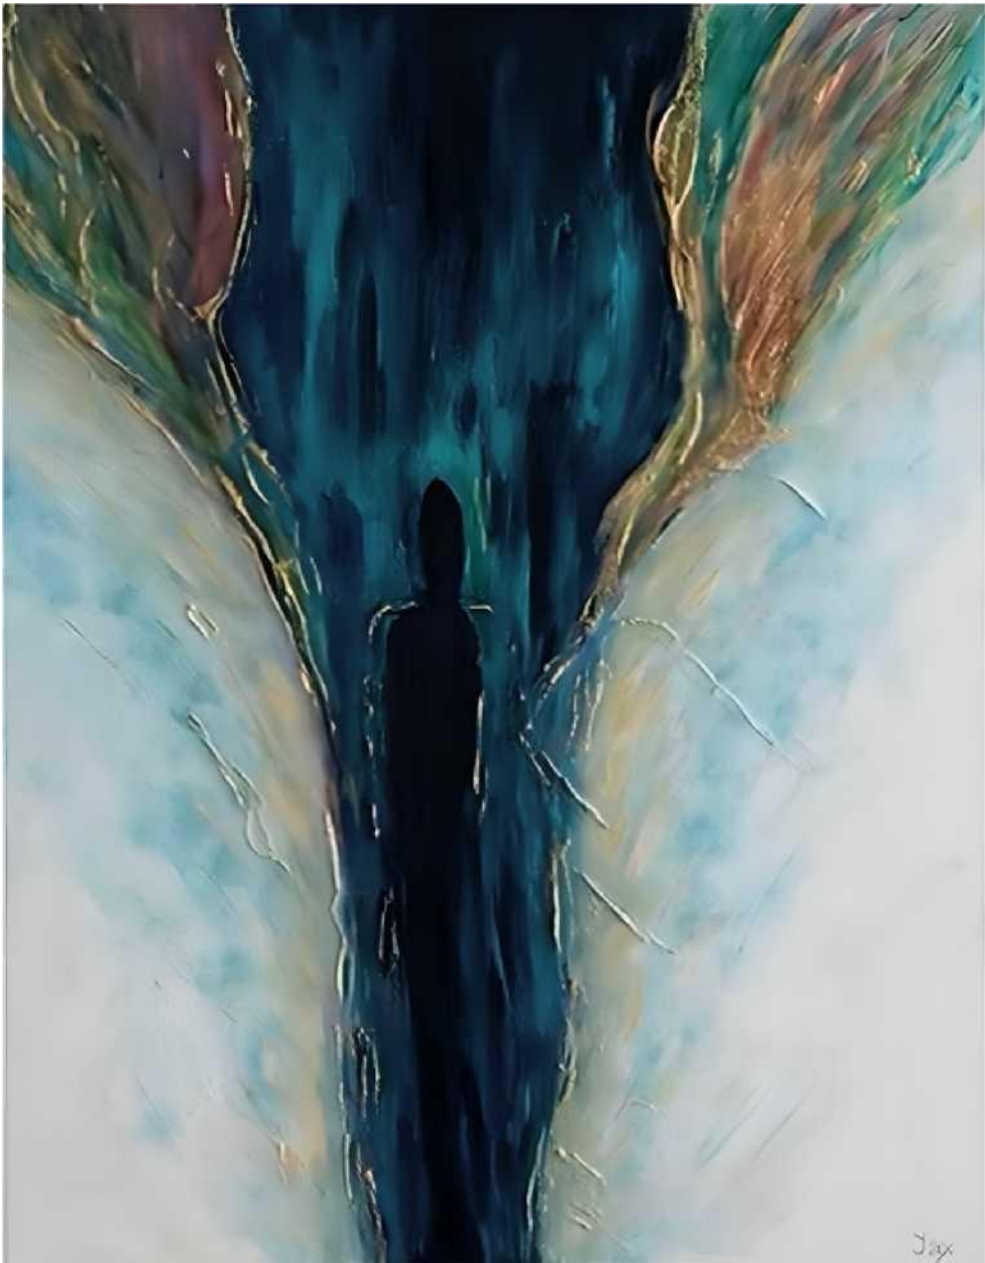

Between shadow and light, she emerges — part woman, part wild. The red-haired muse dissolves into her feline twin, a panther whose power is both fierce and tender. Together they roam a dreamscape where intuition guides and instinct reigns, reminding us of the untamed spirit within.

## A PANTHER'S ENCHANTMENT:

### Wild Within

Acrylic  
40 x 30 cm Canvas

An angelic figure layered with mystery and hidden forms. Women see shifting shapes of Spirit; men often glimpse something else entirely. A reminder that art lives in the eye of the beholder—sacred, sensual, and open to interpretation.

## ANGEL FLAMOUS : The Veil Between

Mixed Media  
60 x 80 cm Canvas
